

WEYMOUTH
Oct 8th-14th **SPEED WEEK**

105

8th-14th October we have a full 500metre flat water course at Weymouth & Portland Sailing Academy. You too can make history and try breaking the world sailing record that stands at 48.7 knots.

Weymouth Speed Week is the oldest and longest running speed event on the planet, It attracts pros and amateurs from around the world, with one common goal to find out "HOW FAST CAN I GO?" Up for grabs are prizes and trophies in many categories including holiday with club vass for the fastest novice, free demo equipment, coaching sessions from Bjorn Dunkerbeck and David White, social events including opening party and a whole lot of fun.

**'never but never
48.7 sheet out'!**
